

Interventional Radiology

Assistant, Associate or Full Professor

The Department of Radiology (<http://radiology.ucsd.edu>) at the University of California, San Diego is committed to academic excellence within the faculty, staff, and student body. We are currently seeking full-time faculty members to join the Interventional Radiology Division.

UC San Diego School of Medicine is consistently ranked among the top research-intensive medical schools in the nation by U.S. News & World Report. UC San Diego Health is the only academic health system serving the San Diego region, with major campuses in Hillcrest and La Jolla. The health system includes two Joint Commission-certified Comprehensive Stroke Centers; the NCI-designated Moores Comprehensive Cancer Center; a Level 1 Trauma and Burn Center; a Level 4 Epilepsy Center; a Level 3 Neonatal Intensive Care Unit (NICU); and a Center of Excellence for Parkinson's Disease.

The UC San Diego Department of Radiology is one of the most innovative and productive academic departments in the country, offering state-of-the-art services for clinical and translational studies. The Interventional Radiology Division provides the full spectrum of minimally invasive, image-guided treatments for a wide range of conditions, including cancer and vascular diseases. Utilizing advanced imaging technologies such as X-rays, ultrasound, CT scans, and MRI, our interventional radiologists perform procedures with unprecedented accuracy and faster recovery times. The division's faculty are actively involved in clinical care across UC San Diego Health sites, contribute to cutting-edge research, and participate in leadership roles within the health system and broader medical community. Their expertise ensures that patients receive comprehensive care that integrates the latest advancements in interventional radiology.

The selected candidates will be responsible for providing expert clinical care, actively participating in the teaching and training of medical students, residents, and fellows, and contributing to research initiatives that advance the field of radiology.

Candidates must have an MD, DO, or equivalent degree. Candidates must be board certified or board eligible in Interventional Radiology. Candidates must hold, or be eligible for, a California medical license or an equivalent certification/permit, as determined by the Medical Board of California.

Candidates must have completed an interventional radiology fellowship, an integrated interventional radiology residency, and/or an independent interventional radiology residency by the start date of the appointment.

Candidates with at least one year of clinical experience in all aspects of interventional radiology are preferred. Candidates with at least one year of experience in novel interventional radiology procedures are also preferred.
